### **Pioneering treatment could help people with severe depression**

A recent press release from the University of Bristol may be of interest to BAP members;  
<http://www.bris.ac.uk/news/2011/7435.html>

This is based on the research and clinical work of Dr Andrea Malizia and colleagues within the Psychopharmacology and Functional Neurosurgery Service in Bristol.

A program featuring the first patient undergoing this radical new treatment was broadcast on the BBC's local topical news program 'Inside Out West' on the 24<sup>th</sup> January. This can be viewed on the BBC iplayer here;

<http://www.bbc.co.uk/programmes/b00xzvs2#synopsis>

Andrea Malizia and Nik Patel will be chairing a symposium on Brain trophic factors in neuropsychiatric diseases at the BAP 2011 Summer meeting on **Wednesday 27th July 2011** (<http://www.bap.org.uk/meetingotherinfo.php?infoID=40>)
